RECEIVED

MAY 13 1999

GROUP 1700

We had already sent you this application several days ago with the fax of original signature from the first inventor (since he is in Germany) and money for \$395, in order to be sure that the application could arrive to US Patent and Trade mark office before April 3, 1999. Hereby please find the three files with original signatures from the two inventors.

Thank you!
